

FRANK JOHNSTON, JR.,  
Judge of the Circuit Court.

### SIDEWALK ORDINANCE NEEDED

City Council Should Regulate Conditions in the Loop.

The City Council should pass an ordinance prohibiting people from loitering on the sidewalks in the Loop. Pedestrians should be compelled by law to keep to the right. As things are at present, without any sort of regulation, some of the down town streets are almost impassable.

### SIGN OF THE TEETH

The alderman does not say whether the teeth are to be used on public utilities or on the public itself.

One entire floor of the County building is given to a non-official organization devoted to the churning of graft from unhappy poor people, under the guise of reform. The county in the meantime has to pay rent in other parts of the town for necessary public offices.

## YOU AUTOIST— What Will You Do?

January 1st, 1920, a new law goes into effect requiring every garage owner to keep a record of the license and engine number, name and address of the owner and person delivering or taking a car for the purpose of repairs, selling, rental, livery or storage. The penalty for failure to keep this record is not less than \$100 nor more than \$500.

You can save yourself and garagemen time and trouble by showing the identification card which is furnished FREE with our guarantee title policy. A policy will reduce your theft insurance. It will also help trace your car if stolen.

The cost of our guarantee title policy, including the necessary identification cards, is only \$100.
